Dear Parents/Guardians,

We are happy to be able to provide a performance this spring of all of the instrumental music ensembles at Bloom Carroll Local Schools. On Tuesday, April 27th beginning at 6:30pm, the bands will perform at staggered times so that we can adhere to CDC/FDH guidelines. Masks are to be worn at all times by our audience and we ask that you follow the social distancing protocol in place. **We kindly request only 4 guests per student.**

The following plan is in place to provide a safe and enjoyable evening for all of our guests. We are asking that if you are a parent of a 6th grader and/or a 7th grader, please park behind the middle school gym and enter through the front glass doors of the middle school. If you are a parent of an 8th grader or a high school student to please park out front of the middle school and enter through the front glass doors.

In order to keep our social distancing protocol in place, after each performance, please exit towards the locker room doors and out the back glass doors (6th or 7th grade families) or back hallway (8th or HS families). The MS cafeteria will be the audience waiting area for the next performance. The gymnasium must be completely emptied after each performance. If you have children in multiple ensembles, you will have to exit and then re-enter. We ask that you only stay for your child/children's performance so that we can safely provide seating for all. Administrators will be there to help with the audience flow into the gymnasium.

The concert attire for each band is khakis/dress shirt or polo/dress slacks/skirt/blouse or dress. **Please no jeans or tennis shoes.** Below you will find the concert key to our evening. Please don't be early to the "waiting area" as another group will have to leave that area before you can enter.

I hope that you enjoy our first live performance of the year. Thank you in advance for your patience and understanding of our safety protocols. Enjoy the performance! Mr. Falvo
