

## **2022-2023 BC PEP BAND**

BC Band;

It is very important that we represent our department well at our home men's basketball games through great music and school spirit. With that in mind, I have divided our band into two very competent pep bands. We perform after the JV game and at halftime of the varsity game.

Each band member receives a grade for each performance. If you are unable to attend your scheduled performance date, it is your responsibility to have it covered by someone in the other pep band playing the same part. In addition, you must make –up that performance during the grading period by performing in the other pep band or by submitting a written report. (See me) You may switch dates, but please keep Mrs. Mullins informed of any changes PRIOR to the date of the performance. You are only required to attend your scheduled performances; however, you may attend as many additional performances as you wish.

Our attire will be jeans and our summer band t-shirts. Our report time will be 6:30pm, (except for 12/10 early game report time of 1:30pm, and 12/02 report time of 6:00pm.)

Students will be dismissed at the end of our halftime performances.

If you have any questions, please see Mrs. Mullins
